With **Neil Griffiths: Storyteller**
The Power of Reading

Neil Griffiths was a Primary School headteacher for 13 years before taking on the role of director of a National Literacy Support Project for the Basic Skills Agency. He came up with and developed Storysacks, promoting them to schools and communities throughout the UK. After six years, Neil became a freelance consultant, allowing him to devote all of his energies to the project and set up what is now the worldwide, highly acclaimed, and award-winning Storysack phenomenon.
